This flexible tandem pushchair is suitable for two toddlers, newborn & toddler, or two newborns (if used with car seats). Both seat units are suitable from 6 months to approx. 3 years (15kg/33lb). These sporty, comfortable pushchair seats, face whichever way required. This chassis is compatible with Kids Kargo safety pods. We also offer universal adapters to host many other car seats (perfect for previous purchases) including Maxi Cosi products.

To add extra comfort & warmth we offer matching cosy footmuffs, changing bags, & optional Tan leatherette accessory packs adding a trendy twist.

As this travel system is a tandem stroller, it manoeuvres comfortably through single doorways, with the fixed or swivel wheel options. We have designed plenty of space in the basket too, catering for us parents that have to travel with half the content of our homes!

With an adjustable handle to cater for all heights, and a 12 months parts and labour warranty, this is a perfect pushchair for your children!

For a full list of compatible car seats please see the universal adapters in the accessories section on page 51
